

Tire Rules

Wing Kart Classes - Tires left in impound from the previous 2024 races will be allowed to be used for this event. Each driver will be allowed to have two sets of tires in impound to choose from. Only one set is allowed to be checked out at a time. Individual tires or full sets can be purchased. A full set of tires will be \$200. This applies to the junior wing kart classes only.

Flat Kart Classes - The flat kart classes utilizing the T-18 tires will be required to check in one set per class at the beginning of the event. This will be the only set allowed to use for that race day in that class. ***Min tread depth post race of .050 post race.***

Young Guns, 450 Outlaws and Open kart classes will use the T-18 tires. There will be no tire check in required.

If you are interested in purchasing new tires we highly encourage drivers to take advantage of our mounting service to save time at the track. If this is something that interests you, simply send your wheels to us:
