Turkey Gobbler Main Events
Southeast Nationals Heat Races
Southeast Nationals Main Events

*Flat kart drivers will be required to check in one set before practice to be used for the entire day. You are allowed one set per class, if you choose. You do not have to use a different set for

each class. Minimum tread depth post race is .050. Series officials reserve the right to adjust this during the event for the Southeast National portion of the event, if deemed necessary.

Anyone who reserved parking for the Southeast National will carry over for this event. Please let us know if you still need your parking by texting: **864-209-5526**.

Main event line ups for the Southeast Nationals portion of the day will be determined by a points total from qualifying position, heat race finish position, and passing points accumulated during the event. Any tie breaks in points will be determined by best qualifying time. The top 4 in each heat will be inverted based on qualifying.

*Drivers who were not in attendance at the originally scheduled Southeast National may enter but will start at the rear of their heat race along with receiving a **zero** for qualifying points.

Contingency Awards

RLV - 1 box of #35 chain for fast time winners for the Turkey Gobbler.

GM Performance 602 Series - \$100 bonus for fast time in beginner box qualifying for the Turkey Gobbler.

PRC - Gift certificates for the four box stock classes if you win on a Phantom Racing Chassis. (Southeast Nationals main events only).
